ORDER

Pursuant to 28 U.S.C. § 636(b), the Court referred all pretrial matters in this case to United States Magistrate Judge Mary Ann L. Medler for determination and recommended disposition, where appropriate. On July 14, 2006, Judge Medler issued a Report and Recommendation with respect to the disposition of the motion filed by defendant Damon Douglas to suppress physical evidence.

Section 636(b)(1) requires a district judge to make a *de novo* determination of the specified proposed findings and recommendations of a magistrate judge as to which objection is made. In the instant case, Douglas has filed only general, non-specific objections to the Report and Recommendation. He does not point to any specific error in the magistrate judge's factual findings or in her application of the law to the facts. Thus, his objections are insufficient to trigger *de novo* review by the Court.

Accordingly,

IT IS HEREBY ORDERED that the Report and Recommendation of United States Magistrate Judge Mary Ann L. Medler is sustained, adopted, and incorporated herein.

IT IS FURTHER ORDERED that the motion of defendant Damon Douglas to suppress physical evidence [Doc. # 17] is **denied**.

CAROL E. JACKSON
UNITED STATES DISTRICT JUDGE

Dated this 31st day of July, 2006.
